

# *Leonard Tatt*

Leonard grew up in a Roman Catholic family and has always been interested in the spiritual journey in whatever shape or form it may take. Leonard first became involved in spiritualism in 1991 and developed his mediumship under the guidance of Leonard Young at the Arthur Findlay Collage, Stansted Hall.

His development seemed to be quite rapid as he started serving churches in 1993 and has served churches all over the world, in place as far afield as USA and Canada, Germany, Switzerland, Ireland, the Shetland Islands and Guernsey. Leonard became a tutor at the Arthur Findlay collage in 1997 going on to be a course organiser.

Leonard ran courses on all aspects of mediumistic and spiritual development, not just at the college but far afield. Leonard previously worked at the SAGB between 1994 and 1997 when the association was resident in Belgrave Square.

Leonard has a keen interest in Philosophy, lived in Rome for four years and holds a Master's Degree in Theology from the University of London. Leonard is always looking for new avenues of learning and is currently studying for a foundation certificate in counselling skills with WPF who are based near London Bridge and hopes to go on to train further with them.

Leonard is delighted to be working back at the SAGB and hopes to bring his love of spirit to everything he does as he believes mediumship to be truly an inspirational life changing gift from God, the use of which must be seen as a sacred duty.
