Our hearts and thoughts go out to all those on the front line, our healing energies are with them.

Health care workers, Police, Military, Fire & Ambulance Services and the ever-growing band of volunteers, stepping up to assist our country in its time of need.

Please email [info@sagb.org.uk](mailto:info@sagb.org.uk) or call our reception desk on 0207 931 6488 to request Absent-Distance Healing or use the SIGN UP link on our website.

Please sit and join with us to send out energy and prayers with the spirit world at this time to all those in need of our healing union. Times when the clinic would be open as usual at 8pm and 10pm healing minute.
