*Please be mindful of other and animals are kept
under control at all times and of manigable size
and the responsibility of their owners.*

*Larger animals we are happy to include on our
Absent/Distant work with the union of healers at the SAGB*

*The principle of feeling good applies
to your family pets,
for instance. Animals are wonderful,
because they put you in a great
emotional state.*

*When you feel love for your pet, that
great
state of love will bring goodness into
your life.*

And what a gift that is.
