Remembering Dr William Lang

researched by Jackie Poole

We are remembering the ophthalmologist Dr William Lang who passed to Spirit and chose to guide the medium and healer named George Chapman to continue to work through. George Chapman of Aylesbury was working in a trance state with this Spirit guide doctor. Many medical miracles occurred while George Chapman and Dr William Lang applied healing from Spirit to their patients. In fact, so many of these patients had been pronounced incurable. There were thousands of former patients who gave evidence to verify this fact who were cured from blindness and some cancers that would baffle the medical profession. Dr Lang in Spirit had given George Chapman in trance, his identification and George proceeded to make enquiries and investigate the information that Dr Lang had communicated to him, to check if the spirit working with him had really existed and if all of the information given to him was true.

And so, 'The British Medical Association' was approached with an enquiry as to whether anything was known about Mr William Lang, FRCS born on the 28th of December 1852 who passed to Spirit **on 13th of July 1937** in his 85th year. In due course, a reply from the BMA was received and it confirmed all of the details that the spirit doctor had revealed about his medical career were true. Mr William Lang had started his medical career at a London hospital and later distinguished himself as an ophthalmic surgeon at the Middlesex and Moorfields hospitals.

A journalist named Joseph Bernard Hutton had booked an appointment with Chapman and his guide in 1964 after his wife had read an article in, 'Psychic News' about the partnership of Chapman and Dr Lang. Mr Hutton had no expectations, but went along regardless, as his sight was diminishing and he had an incurable illness. On arrival, he was told by the receptionist, "Dr Lang will see you now!"

And this is how it went:

Dr Lang speaks:

"I shall have to perform an operation on your eyes. You don't need to worry, young man, you see everyone has two bodies, a physical body and a spirit body. Now I shall operate on your spirit body and attempt to produce corresponding effect on your physical body. You may hear me talking, calling out names and asking for instruments. Don't be alarmed. I shall be assisted at the operation by my son Basil and various other colleagues of mine. You won't be able to see because they too have past to spirit. But you won't feel any pain. Now I want you to lie there on that couch."

As Mr Hutton was cured, he decided to research and interview many former patients who had experienced being cured by Chapman and Lang. He interviewed patients over the course of one year and then wrote a book including many testimonies with patients who gave their full names and addresses and also former colleagues of Dr Lang. In the book titled, '*Healing Hands*' *The Amazing True Story of a Spirit Doctor* by J. Bernard Hutton 1966:

“One of the personalities to identify the spirit doctor as Mr William Lang in 1961 was Dr Kildare Lawrence Singer, who remembers Lang well. He had first met him while a student at the Middlesex. Hospital, where he received instruction in ophthalmology from him. Dr singer knew immediately he was facing Dr William Lang when he was greeted from George Chapman in trance, he said:

"Hello my dear boy, I am happy to see you again", He spoke to Dr Singer for some considerable time, and sometimes about long forgotten episodes from the past.

Miss Lynden Lang first heard of her dead father's spirit return from friends in the Midlands. They had known the ophthalmic surgeon during his earthly life, and had invited Chapman to, Birmingham, to treat a dozen people after reading about him in the newspaper, so that they could check if his claim to channel William Lang was true. She said:

"We all questioned and tested George and my father, William Lang, and we could only come to one conclusion: that the person who speaks to George Chapman, and claims to be William Lang is, without a doubt, my father."

More extracts from, 'Healing Hands':

From Spirit, through Chapman, Dr William Lang spoke about his transition to the spirit world:

"You see on that day, 13th of July 1937 I knew my time on Earth was up. I said to my dear friends who were sitting around my bed that I was going to die. One of them said: "well, William, we shall all meet one day in the spirit world, and when that happens, we shall have the privilege of watching you operate once again." I nodded my head. I was unable to talk, because suddenly I felt very, very, tired and began to drift into a deep sleep.

Quite suddenly everything changed, and I could clearly see my two wives, Susan, and Isabel, standing there with outstretched arms; dear Basil, was, of course, with them, as well as the rest of my family, and some of my closest friends. We could speak with each other. One of my medical friends said: ***"William, you are with us now in Spirit World. "***

As a child, I used to wonder, what is God? who is God? I was brought up in the church of England faith, but throughout my life got on well with most people, church of England, and those of other faiths. I wasn't what you call a very religious man, because I didn't spend much time in church, praying, but I used to give an awful lot of thought to God, when I used to see my patients before an operation, - ***'I always prayed for them'.***"

George Chapman once said:

"The real purpose of Dr Lang's spirit return, I am convinced, is not solely to cure sick people. It is to touch the soul, and to give us a new convincing, insight and understanding of the spiritual reality which surrounds us."

SEVEN PRINCIPLES OF THE SAGB

We believe in an Infinite Intelligence,
Who governs all.

We believe that personal identity and all sentient forms
of life survive physical death.

We believe that continuous existence and eternal progress
occur for all in the Hereafter.

We believe in communion with spiritual realms.

We believe that all humanity is spiritually linked.

We believe that in the Hereafter, all must account for
their actions on earth and will judge themselves accordingly.

We believe that all are responsible for
the way they conduct their earthly lives.

OUR PHILOSOPHY AND PURPOSE

The primary purpose of the Association is to offer evidence, through
mediumship, of the continuation of the personality after physical
death and to relieve suffering through spiritual healing.

The Healing Hymn Gracious Spirit

Gracious Spirit, of thy goodness
Hear our anxious prayer
Take our loved ones who are suffering
'Neath thy tender care
Loving Father hear us, hear us

Gracious Spirit may thy presence
Shed a Healing Ray
Turning all their nights of darkness
Into glorious day
Loving Father hear us, hear us

Gracious Spirit, should'st thou claim them
Be their Light and Guide
Lead them to the heavenly kingdom
Safely by thy side
Loving father hear us, hear us

Getting to the SAGB

Getting to the SAGB has become a lot easier for those of us north of the river. At present I have to catch the Northern Line, change to the Victoria Line to Victoria Station and then catch a train to Battersea Park Station.

As of the end of September 2021 the Northern Line is running with four trains an hour on week-ends. This will mean, for me at least, that I can travel on the Northern Line from my home to Battersea Park on the same train. Thereafter it will be a short seven minute walk to the SAGB.

Now the extension has opened there will be an initial peak of six trains per hour, increasing to 12 trains per hour. During off-peak times there will be five trains per hour, doubling to 10.

Helping to get to the SAGB (after all that is what counts, isn't it) it will help regenerate the Vauxhall, Nine Elms and Battersea areas by supporting new jobs, businesses and homes.
